LAND TRUST EVENT
ATTENDEES

Dear Friends,

The Land Trust for Tennessee was created 23 years ago with a vision for the future of Tennessee's irreplaceable landscapes. Since then, it's been our charge to imagine a future that our state deserves and thoughtfully work towards it. As each year passes, I'm reminded of the long view of our mission and of the endurance required to fulfill that mission.

Within this report, you'll find the results of this productive year. As we move into 2023, we're excited to open Walden's Ridge Park, to focus on over 20 pending conservation projects, and to work with partners to protect more land for public access.

We look forward to celebrating these accomplishments with you along the way. Thank you for joining us in this mission; your support ensures the places we cherish will remain for generations of Tennesseans to come.

From our family to yours, we wish you a joyous, healthy start to 2023!

Gratefully,

Liz McLaurin
